How to Get Straight A's in School and Have Fun at the Same Time (Paperback)

By Gordon W Green

St. Martins Press-3pl, United States, 2000. Paperback. Condition: New. Language: English. Brand new Book. You study hard. You memorize. You work at a problem over and over until it feels like your head is going to explode. You think, finally I'm ready for the big test. And you still don't make the grade. Relax. The truth is, Dr. Gordon Green knows exactly how you feel. He was a bright student. And he studied hard, too. But he struggled his freshman year at college anyway. What happened? He developed a unique ten-step program based on the simple principle that academic success is not so much a question of how hard you study, but how smart you study. Did it work? After college, Dr. Green went on to earn a Ph.D. in economics at a prestigious university--all the while maintaining straight A's! Thousands of student have benefited from his program. How he has adapted his study methods to apply to you. This is an easy, do-it-yourself guide to help you turn frustration into success. Topics include: How to get the most out of what you need How to budget your time How to take a test Keys to developing effective study habits It's not enough to survive school. This guide...

Reviews

This ebook is definitely not simple to begin on reading but really enjoyable to read through. This really is for all who statte that there had not been a worth reading. You may like how the author publish this ebook.

-- Demetrius Buckridge

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
